To

Mr. Krishnan G
Founder & CEO
Cozmek Pvt/Ltd.

Sub: Approval Letter reg.

Dear Krishnan,

As per your request forwarded by the Registrar of Mahatma Gandhi University, I am happy to inform that you are permitted to associate with the Business Innovation and Incubation Centre (BIIC) of M.G. University as a startup incubatee.

Further conditions on the same will be informed as per the recommendation of the upcoming executive committee meeting of BIIC.

With Best Regards

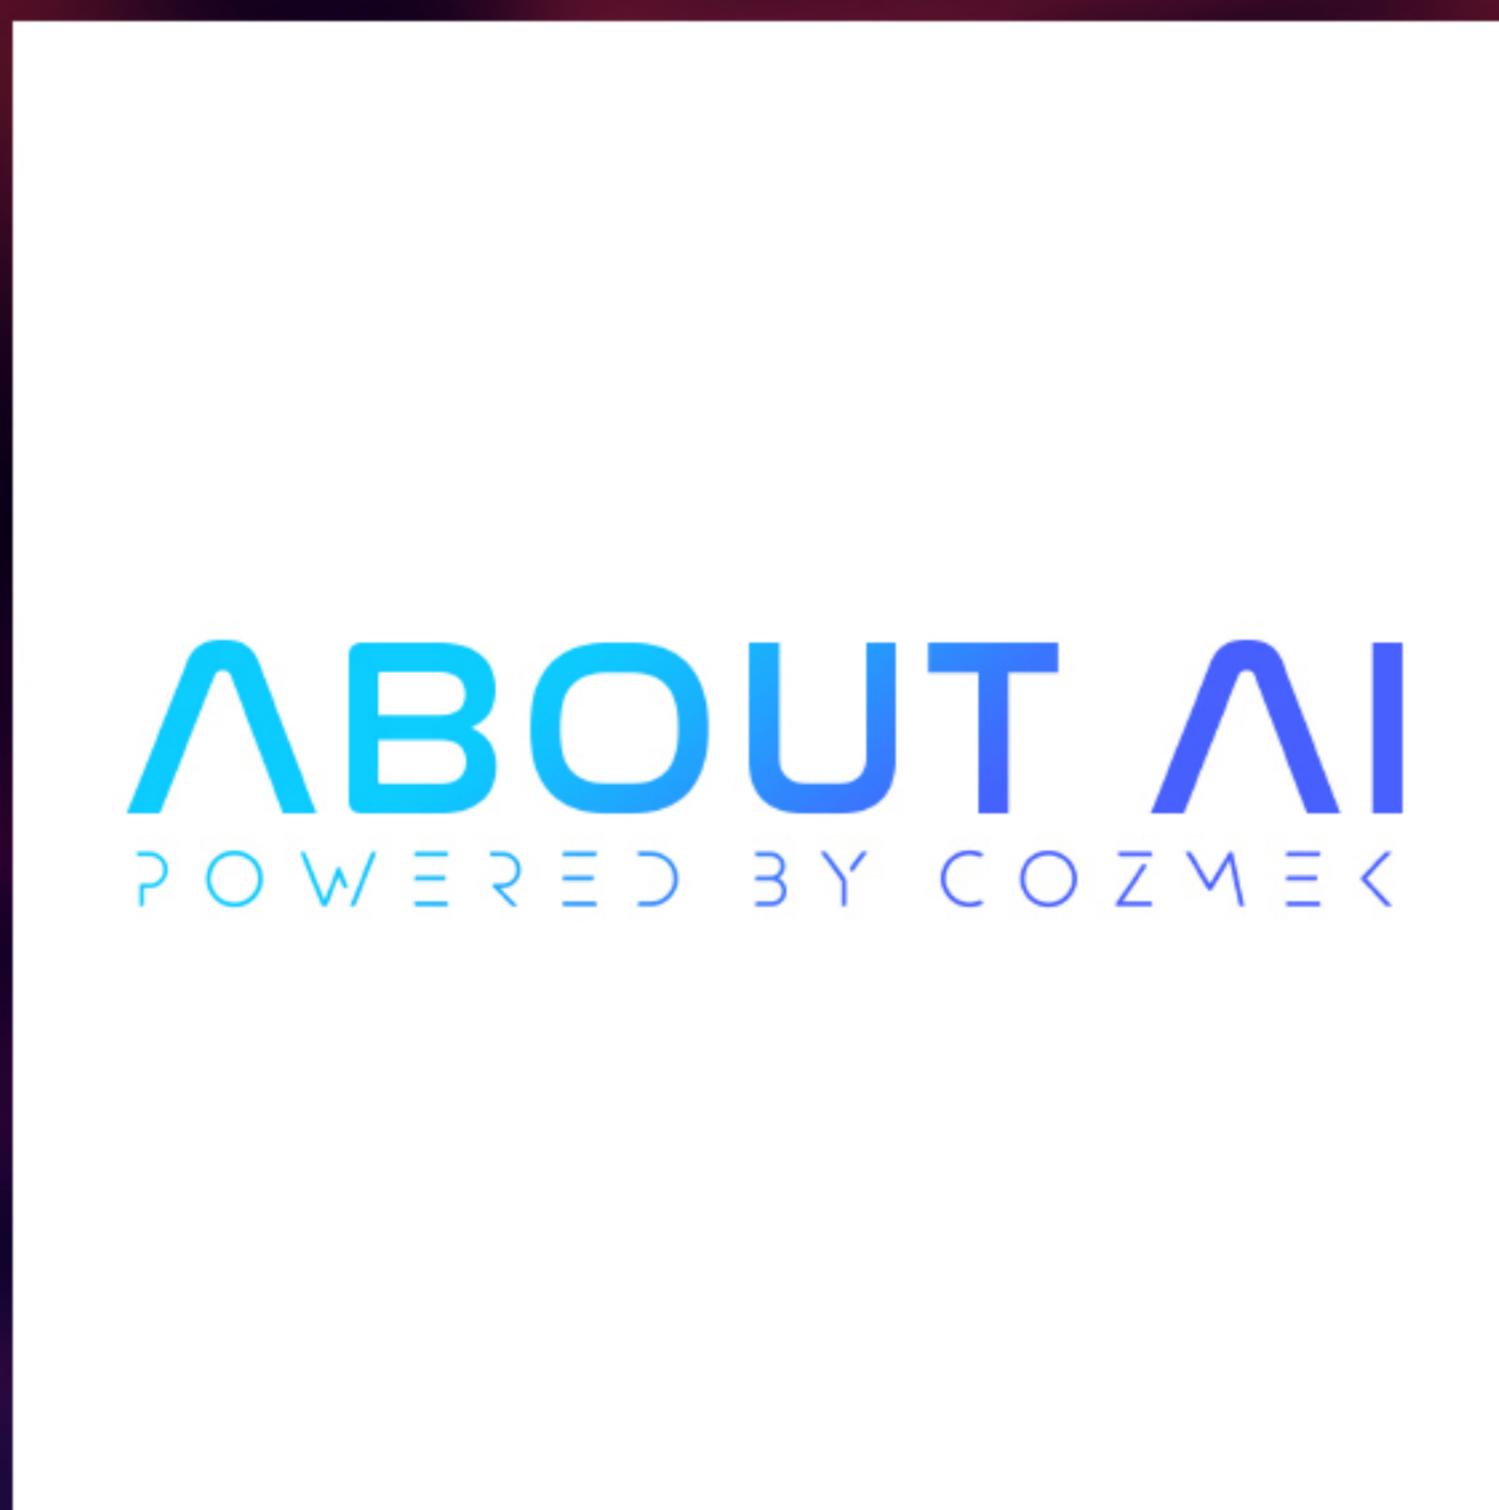

Radhakrishnan E.K.

Cozmek Pvt. Ltd., under the leadership of Mr. Krishnan G, Founder & CEO, has secured a collaboration with the Business Innovation and Incubation Centre (BIIC) at Mahatma Gandhi University. This partnership signifies a pivotal step for Cozmek Pvt. Ltd. In accessing valuable resources and support to fuel its growth and innovation journey.

3. AI Community

Cozmek Private Limited, a prominent technology firm based in Kerala, has launched the state's inaugural AI community on January 13, 2023. This pioneering initiative aims to foster collaboration, knowledge exchange, and innovation among AI enthusiasts, professionals, researchers, and students. Through regular meetups, workshops, and online forums, the community provides a platform for members to stay updated on the latest AI trends, share expertise, and collaborate on projects. Additionally, Cozmek is actively offering job vacancies within the community, providing opportunities for individuals to contribute their skills and expertise to exciting AI projects. By democratizing access to AI education and resources, Cozmek's AI community seeks to empower individuals from diverse backgrounds to contribute meaningfully to the field. This endeavor reflects Cozmek's commitment to driving technological progress, nurturing talent, and positioning Kerala as a hub for AI excellence.

4.MOU signed with DIST Angamaly

Cozmek Private Limited has recently signed an **MOU** with the **School of Computer Science (UG) at De Paul Institute of Science and Technology, Angamaly**, marking a significant collaboration in the realm of artificial intelligence (AI) education. This partnership aims to introduce an exclusive AI add-on course, tailored to bridge the gap between academic learning and industry demands. Through this MoU, Cozmek and De Paul Institute aspire to equip students with practical knowledge and skills vital for thriving in the AI field. Developed in consultation with Cozmek's seasoned AI engineers, the course will delve into crucial topics like machine learning, deep learning, and computer vision, offering students hands-on experience and mentorship from industry experts. This initiative underscores Cozmek's commitment to nurturing talent and driving innovation in Kerala's tech landscape, while empowering aspiring AI professionals to become leaders in the field.

5. NASA Space App Challenge

COZMEK proudly sponsored the NASA Space Apps Challenge at Mar Athanasius College of Engineering on October 7th and 8th, embodying our commitment to empowering learners of all ages. Our AI-based education platform offers skill-based courses with round-the-clock mentoring, a unique hybrid teaching approach, progress tracking through ranking systems, job placement support, and a steadfast dedication to personal development. Together, we're propelling education to new heights, reaching for the stars and fostering limitless learning opportunities.

6. Robotic Expo St. Joseph's Moolamattom

INNOVATIA Robotics Event was an electrifying convergence of innovation, education, and collaboration, igniting the spirit of advancement. Partnering with St. Joseph's College Moolamattom and Riglabs, Cozmek Pvt Ltd orchestrated a day filled with cutting-edge technology and mesmerizing robotics. The Robotic Exception Program on Jan 13 showcased the extraordinary potential of merging human intellect with machine precision. Cozmek's pivotal role in sculpting the future at INNOVATIA resonated with the ethos of progress and ingenuity. Gratitude extends to every individual whose dedication and expertise contributed to the resounding success of the event, symbolizing a collective stride towards shaping tomorrow's world.

7. ABE Accreditation

Cozmek Private Limited has achieved a remarkable milestone by being granted accreditation from the **American Board of Education** for its groundbreaking research and development endeavors in artificial intelligence (AI) - a first for Kerala. This prestigious recognition underscores Cozmek's commitment to excellence and innovation in the rapidly evolving field of AI. With this accreditation, Cozmek not only solidifies its position as a leader in AI-based research and development but also demonstrates its dedication to upholding the highest standards of education and quality in the industry. Armed with this accredited certificate of authorization, Cozmek is poised to spearhead transformative AI initiatives, driving forward technological innovation and advancing Kerala's standing as a hub for cutting-edge AI solutions.

8. AI Robotic Expo DIST Angamaly

COZMEK Private Limited captivated audiences with an extraordinary AI Robotics Exhibition at DePaul Institute, Angamaly. Showcasing cutting-edge innovations and futuristic technology, the event offered a glimpse into the future of robotics. Stay tuned for more updates as COZMEK continues to revolutionize the world of automation.
